

Little Explorers Summer Programming 2017 Information

A summer program built for our youngest learners! Campers ages 3-7+ enjoy creative explorations, outdoor adventures, field trips and guest teachers to maximize fun and learning. Our summer camp builds confidence, cultivates friendships and fosters imagination as we explore each weekly theme. Campers will discover more about themselves and the world around them through explorations of stories, art, movement, music, science, nature, water play and more! Organic snacks, craft supplies and materials provided!

Dino Roar!

Camp Week #1 June 26- 29

Prehistoric paleontologists will have a roaring good time as they tackle our dinosaur obstacle course, find fossils in a dynamite dino dig, hatch dino eggs and make their own dinosaur themed arts and crafts!

Amazing & Messy Art

Camp Week #2 July 3-7* Please note camp is Monday- Friday, no camp Tuesday July 4

From collage to coconut bowling, bubble wrap stomp prints to acrylic dance painting, this week is all about exploring our own creativity and inner artist through exploring different mediums, mess, sensory experiences and tons of fun through art! Our week culminates in an art show for family and friends.

Fairytale Adventure

Camp Week# 3 July 10- July 13

An enchanted week filled with dress up, fantastical creatures and fairytale adventures! We will make our own dragons, griffins and sphinxes, not to mention unicorns and mermaids! Magical pixie dust paintings and pirate treasure hunts await!

Shout Out! Sing Out! Shake Out!

Camp Week #4 July 17-20

From harmoniums to pandemonium, this week is all about discovering the joy of music and movement! Join us as we drum, dance, and didgeridoo our way around the world, writing songs and constructing our own instruments as we go! This week culminates in a concert for family and friends.

It's a Buddhahful Day!

Camp week #5 July 24- 27

Little yogis discover their limitless potential through fun yoga postures, playfulness, mindfulness and meditation. With Zen art, essential oils and a little mandala magic, we will learn techniques for confidence building, relaxation and being our best selves through these outrageously fun heart centered practices!

Wild & Magical Science Summer Sampler

Camp Week #6 July 31- August 3

The best that summer in the Berkshires has to offer! Science and nature crafts abound as we create our own solar art and ovens, design shimmering rainbow science art and spend time exploring, discovering and doing fun and fascinating projects outside under the lilacs! Plenty of s'mores, water play and fizzy lifting rockets included!
